Begin Your Journey

Sunday & Beyond

Welcome to the Unitarian Universalist Congregation of Phoenix!

In these dynamic and challenging times, becoming part of a congregation that affirms our values and nourishes our spirit can be a life-affirming process.

There are so many ways to be part of the community here, including but certainly not limited to our warm and welcoming Sunday morning worship experience.

Each week, we offer a dynamic Sunday worship experience for adults, along with creative and nurturing programs tailored to the needs of children and youth.

During the UUCP "program year," September 16 – April 14, there are two services, at 9:30 AM and 11:15 AM.

The summer schedule from mid-April to mid-September offers one Sunday service at 10:30 AM.

Sundays are just the beginning! You can engage in the rich experience of UUCP congregational life with abundant opportunities to share journeys, grow in spirit and advance justice by building community, exploring, learning and serving.

In this Connections publication, you will find so many ways to be welcomed, no matter your age, gender identity, sexual orientation, racial identity, nationality, economic circumstance or physical ability – this is truly a place to come as you are!

We look forward to seeing you on Sundays and beyond as together we create a spiritual community for our time – one that is theologically diverse, radically inclusive and justice centered. You are welcome here!

Music & UUA Gatherings

Music Ministries

Want to get involved in making music at UUCP? For more information about our music program or any of the following activities, contact our Music Director, Benjie Messer, at benjiemesser@phoenixuu.org.

Congregation Choir
Experience the intimacy and beauty of singing in a choir! Our Congregation Choir rehearses every Wednesday evening, 7:00-9:00pm, from September through May, and sings at two Sunday services each month. All ages are welcome, and childcare is available during rehearsals. The ability to read music at an elementary level is helpful but not required. The choir is led by music director Benjie Messer and accompanied by pianist Mary Cota.

Performing Groups
Do you play an instrument? Most of the music in our services is provided by members of the congregation, in styles from folk and classical to jazz and pop. Several musical groups prepare music for worship on a regular basis, including a string ensemble (Open Strings), a jazz combo, a vocal trio (ReSisters), and a constellation of musicians who play country, folk, rock and blues. Several times each year, Benjie coordinates a chamber orchestra of strings, winds and percussion.

Audio/Visual Technicians
Want to use our sound and video equipment to support worship services? Audio/Visual Technicians need to have excellent hearing and the ability to walk up and down stairs. Previous experience with A/V equipment and production is helpful but not required.

Caring for our Spiritual Home

Our Congregation is blessed with a beautiful campus on nine acres of land. It is our spiritual home and the home to two weekday schools. On Sundays we have between 150 and 300 people coming together to grow in spirit, and Monday through Fridays we have between 50 to 70 children, teachers, and parents coming together to grow in knowledge and play. Maintaining the buildings and the grounds requires help from everyone. When it comes to caring for this home, we are a big family working together to ensure that our home is welcoming and safe for everyone.

Here are some ways everyone can help care for our campus. Which of these ways will YOU care for our spiritual home?

Report maintenance issues to Lora Gustafson in the office
You can do this by writing down the maintenance issue on the Maintenance Repair List on one of the clipboards located in Office 2 or the Kitchen, or calling the office at 602-840-8400 or emailing administratort@phoenixuu.org

Campus Work Days & Potlucks
Periodically throughout the year, opportunities will be announced to join volunteers as they work together on caring for our campus. These workdays include grounds cleanup, deep cleaning, painting, and minor repairs.

See Something, Do Something!
Grab a ticket from UUCP Campus Care bulletin board in office 2. Everyone is welcome to fill out a ticket for a campus care task that they think needs to be done, and everyone is welcome to grab a ticket and complete the task.

Children’s Ministry

Children’s Ministry at UUCP encourages children, youth and their parents, to explore and experience kindness, the search for truth, social justice and community building. Our programs create peer connections that break the patterns of a school or neighborhood social scene, allowing children to build genuine friendships across differences.

UU religious education is goal-oriented in one way: We seek an outcome of respectful, responsible, life-loving kids who know they are valued for all of who they are and are ready to show others the same deep acceptance. Active members of a multi-generational community, children are encouraged to develop friendships throughout the community.

Our formal religious education programs are offered during the first service September through May at 9:30 AM to 10:45 AM and during the second service, from 11:15 AM to 12:30 PM. Children are provided with opportunities for studio based lessons, multiage classrooms, and multigenerational community involvement. Children begin their Sunday mornings in services, with the opening hymn, covenant, greetings, and Together Time, a lesson for all ages.

In an effort to be Radically Inclusive, Sunday School classes are open to all children. If you or your child require specific accommodations or have questions about programming, please contact Katie Resendiz at KatieResendiz@phoenixUU.org.

Chalice Kids
Community Night Thursdays 6:45 Room 15
Beginning September 13th , UUCP provides evening childcare in conjunction with Community Nights (and identity group nights). Share a meal with friend and family, and then join the children for a time of free play, song, and reading.

Infant and Toddler Care
Sundays 8:30 - 12:30 Room 15
Our Nursery and Preschool programs offer space for play based learning and early faith development. Staff help children embody the 4th principle “A Free and responsible search for truth and meaning,” by creating an atmosphere that is encouraging, safe, and intriguing. Our youngest community members, newborn through year two, are provided a quiet and comfortable nursery to play, eat, and rest.

3-4-5-ZUUM!
Sundays 10:30 in Room 11
ZUUM at UUCP provides a protected space for youngsters to begin their path of faith development while transition from toddler care. Structured much like a traditional preschool class, the students enjoy circle time, stories, crafts, and games as they learn about the 7 principles, the monthly themes, and the community.

Centering captures personal stories and address the challenges that religious leaders of color face in exercising power, agency, and authority in a culturally White denomination. Sierra Ancha Wilderness UU Religious Association
Come experience 100 acres of wooded wilderness just 2.5 hours east of Phoenix! This UU-Owned camp is available year round and hosts a family campout on Labor and Memorial Day Weekends. Family camp weekends include all meals and some programming.

The land includes running water from a well, pit toilets, a solar shower, simple cabins, a fully stocked outdoor kitchen and plenty of places to pitch a tent. A small creek runs through the middle of the land and there are plenty of places to hike and explore around the property.

Registration, camp membership information and directions are available at sawuura.org or on Facebook “SAWUURA Friends”.

Community Night
Join us in building a “Spiritual Community for our Time” every Thursday at 6:00 PM in the Johnson Room, September 13 - November 15 2018. Each week features the culinary talents of the members of our congregation: two entrees (one vegetarian), as well as sides, salad and bread. A donation of $6 per adult, $3 per child under ten, or $12 per family, covers the cost of the meal (those experiencing financial hardship can receive a payment waiver). In the spirit of Radical Inclusion, there are vegan and gluten free options (check the menu each week in Compass), and food served is labeled for the top nine common allergens. If you’d like to join, but have additional dietary restrictions or preferences, you are welcome to bring your own meal.

Following the meal, Thursday evenings are an opportunity to deepen our knowledge of what it means to be Theologically Diverse, Radically Inclusive, and Justice Centered. A diverse offering of adult faith development classes, small groups, justice experiences, and guest lectures help us to live into the congregation’s vision.

Children build community too, in Chalice Kids, free childcare between 6:30-8:30.

If you have any questions about Community Night, or you’d like to contribute as a Sous Chef (sides, salad, or bread) please contact communitynight@phoenixuu.org
Inquirers Newcomer Group

Meets every Sunday at 9:45, Sept-April, 11:45 AM May-August in Annex B

Inquirers is a series for anyone who would like to meet others and learn more about UUCP. Each week after service join other newcomers and leaders for a half hour of building connections and growing relationships. The second half hour explores changing topics each week, that go deeper into an area of ministry within our congregation.

Participants in Inquirers have said, "I've felt more at home here by coming to Inquirers a few times, than I had in the last year I attended on and off. I'm so glad you have this group!" Inquirers topics include Leadership, Children’s Ministry, Unicare, Social Justice, Membership, Congregational Tour + History, Small Group Ministry, Unitarian Universalism 101, Music Ministry and Inside Worship Services. No sign-up necessary, just show up when you can!

Pathway to Membership

Membership at UUCP is an important commitment. None of what we do – our programs, worship, classes, ministries – would be possible without the service and leadership of members. Membership moves folks from observers, consumers, and visitors of the congregation, into part of the fabric of our community: its owners, its leaders, its future.

As such, the decision to become a member is personal, and there is no pressure to join until you are fully ready. In the spirit of radical inclusion, we have created a Pathway to Membership that is more flexible and accessible. Instead of attending a class, members complete each part of the path at their own pace, in the way they choose for themselves. When the Pathway is complete, you will have experienced what it is to be a member of UUCP, and will be ready to sign the membership book during a joining ceremony.

challenges/struggles we face. These jagged rocks are saving tools, messages & values that are contextual and particular because our faith is not always smooth going. The rocks give us the assurance we can lean into when facing the challenges that threaten abundance in our lives, and threaten our ability to be present and joyful—our ability to show up for life. Bring the goliaths of your life community/family to the 5 jagged rocks workshop. With a HOW (honest, openminded, willing) spirit, you may discover answers that were already inside of you

"I can’t understand my kid.” “My partner just doesn’t get it.” “My employees don’t listen to what I tell them.” Sound familiar? We have all experienced struggles with interpersonal understanding of cross-cultural perspectives, a well-intentioned greeting can have the impact of a microagression. Faith Development: Living Our Vision

On Thursday nights in the fall and spring, we come together as a congregation for Community Night. The evening starts with an opportunity to share a meal, and then continues with programming designed to help us to live into our vision: To Be a Spiritual Community for our Time - Theologically Diverse, Radically Inclusive, and Justice Centered. Classes to enrich our spirituality, or to explore some of the diverse sources of our faith traditions, deepen our awareness of Theological Diversity in our faith. Small groups allow us to witness the stories of others in our community, and through listening deeply, learn to be inclusive by finding shared humanity in each person. Guest speakers from our justice partners keep us informed on how we can act in the spirit of “service is our prayer” and center ourselves in Justice. This is a partial listing; see weekly updates in Compass and the Order of Service for more complete information.

For this session we will discuss a collaborative problem-solving process which is helpful for addressing complex situations. This process is based on the Experience-Based Case Discussion format which was first developed for use by an Early Intervention team in their work with young children and families but has application in many other settings. It can be used by teams or in individual consultation. The process encourages broad exploration of the situation at hand, promotes self-reflection and focuses on identification of strengths and resources which can serve as the basis for a plan for moving forward.

<td>The UUCP Maryland School Task Force continues its outreach, working together in a community partnership to address inequities of resources in a neighborhood with high poverty and a significant refugee population. This project helps organize volunteers to tutor and mentor struggling students, teach classes in the flourishing garden/orchard, and help at family events. We collect school supplies and food, provide material and moral support to the faculty and small PTA group. Think about bringing your time and talents to Maryland School (21st Avenue and Maryland) for an hour or more a week, helping with an occasional event, or making a donation for needs brought to the congregation during the year. The impact and rewards of contributing to this school are many. Contact Cathy Kim at <a href="mailto:maryland@phoenixuu.org">maryland@phoenixuu.org</a> to get plugged in!</td>
